EDUCATION

Ph.D. candidate 2018-

University of Barcelona: Cognitive Science and Language

Under the supervision of Prof. Cedric Boeckx

MA. Cognitive Science and Language 2016-2017

University of Barcelona

BA. Spanish Language and Literature

2012-2016

University of Murcia

COURSES

Archaeological Science in the Post-Genome Era 2018

University of Copenhagen, Natural History Museum

Analyses of genotyping and NGS data in medical and population genetics 2018

University of Copenhagen

WORK EXPERIENCE

Intern 2016

Asociación Arqueología de Guardia

Arqueología de Guardia organizes cultural activities, science communication events, and educational workshops involving new findings in the fields of Archaeology, History and Cultural Heritage. As an intern, I participated in the organization and execution of some of these activities, including archaeological prospection, field analysis and communications for non-specialized public.
